

Entry Description

Please do not include marks, signs, signatures, initials, logos or special wording on this form in any way that uniquely identifies your team. Turn this in with each of your blind judging submissions along with your presentation bowl and judge sample cups.

This shouldn't be an ingredient list, but a mouthwatering description of what is in the recipe and/or how it is prepared that makes it a standout mac and cheese!

Category (circle one): Classic Beef Poultry Pork Seafood
Vegan Veggie Funky
